EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with John Guice on September 5, 2006.

The application has been amended as follows:

Cancel claim 5.

REMARKS: Claim 5 recited "materials to form said wires comprise metals". It was reviewed that this recitation was improperly dependent on claim 1 because it was not compatible with the recitation that "each of the wires ... is made of polymer" in claim 1. To remove this discrepancy, it was agreed to cancel claim 5.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alan Cariaso whose telephone number is (571) 272-2366. The examiner can normally be reached on 9-5:30 M-F.
